

Alison Kennedy – OnBoarding Officers Tutor

Alison is a Chartered Management Accountant and holds a first-class honours degree in Economics.

She has held a variety of accounting posts in both the public and private sector as well as senior university appointments.

She currently operates as an independent trainer and consultant in Business Accounting and Finance.

Her business career includes roles and assignments within organisations as diverse as UKAEA, Sun Systems, BAe Systems, Bausch and Lomb and Fiat UK.

She is also an active member of the Chartered Institute of Management Accountants (CIMA) having written a number of business focused articles/books. As well as tutoring on CIMA's public course programme she has carried out research projects on their behalf.

Alison delivers numerous courses on finance for multiple organisations around the country. Her style is highly pragmatic and practical, focused on de-mystifying accounting concepts to help business managers run their businesses more effectively.
